THURY-HARCOURT - LE-HOM AND ITS SURROUNDINGS

A tourist region in the heart of Normandy, Suisse Normande owes its name to its rugged terrain. Weather and geology have shaped this territory, which is one of the oldest mountain ranges in Europe. The diversity of the landscape, with its deep valleys, steep slopes, gorges, white water and forests, offers many opportunities for outdoor activities and exploration. Villas and castles punctuate the verdant countryside, where many charming villages are nestled in the hollows of valleys or on hillsides.
